| 15. End at High Valley Road   |         |

Estimated Time: 2 hour 22 minutes

Estimated Distance: 101.98 miles

**High Valley Road is clearly marked by a green sign, underneath a large white sign that says Bottle Rock Power. Drive up to the call box located on the left hand side of the road in front of the black iron gate. On the call box there are instructions for dialing the power plant administrative office (dial #101, then the "CALL" button) from which someone will be able to open the gate remotely. The paved road will take you 1.1 miles through a residential area before you reach a fork in the road, where you will veer left toward the "Plant". Follow the road .3 miles to the administrative office, where you will need to sign in. Please observe all traffic signs and follow the 15 mph speed limit.**
